

- Please be aware that each child grows and develops at a different rate, and that the teaching staff will be able to give you a more accurate assessment of the appropriate level for your child to start/trial if already a student at the Academy.
- The below chart is a useful way to determine a 'usual' starting point for children, and give you an idea of the many variety of styles available for each level.
- As a general rule the younger age in each bracket reflects more experienced students who have previous training.
- Classes in **GREEN** are held at 'the Grounds' 117 Toogood Road, Woree. All other classes are at our city location, 168 Draper St.
